ACTION CENTRE  
EXCEPTIONS ONLY

Nothing outstanding. No gear overdue back, no open damage reports, nothing needing a decision today.

The tool store has your back

**SCAN & LOOK - DOUBLE SCANNED, EVERY TIME**

Every item is scanned **and** sighted going out, and scanned and sighted coming back - our scan-and-look process. If it moved, it is on the record. That is your protection as much as ours.

**STOCK YOU CAN TRUST**

The store runs stock rotation with full stock checks every **3 days** - what the register says is on the shelf is what is on the shelf.

**SDS ON YOUR PHONE**

Safety Data Sheets are available **inside the tool store**, and outside it - scan the QR code on the wall and the SDS downloads straight to your phone.

**LOGBOOK GEAR**

Anything marked LOGBOOK needs its daily pre-start and logbook entry before it operates - books and blank pages are at the counter.

**BREAKDOWNS - TELL US EVERYTHING**

Something stops? Report it straight away with the details: **where it is, what is wrong, what it was doing**. We will get it swapped or fixed - no drama, no waiting.

**FLOGGERS & THE SMALL STUFF**

Using floggers? **Flogger holders are available at the store**. How-to cards, radio channel cards and gas monitor guides live on the counter - just ask.

We are here to help - **reach out if you require anything**. Your Coates tool store team.

**Honest limits:** Activity from the SiteIQ transaction export for the period shown; on-hire position from the rental register. Consumables are usage data and are never counted as equipment on hire. No consumable pricing exists in any export, so units and product types are shown without a dollar value.

All returns go through the Coates tool store, handed to the stores team and double-scanned. Nothing is returned unless it is scanned.
