The Coates Way | POWERED BY SITEIQ | Author: Andrew Fisher

Thanks for working with the Coates tool store — here is exactly where things stand for **Saunders**. Your crews have run 3,296 tool store transactions this year, and 2,013 of those came back the same day (61%) — that is the habit that keeps gear available for everyone. Right now 111 items are on hire to your team. Anything not needed: hand it in, and it is off your list the same day. If it IS needed, perfect — this list is simply your record of where it all is.

OUR STANDARD

Life Saving Rule 5 - Tools and Equipment (SEQ-GL-009): nothing damaged, defective or out of test date is ever reissued. Every issue and every return runs through the double scan — Two scans. Two looks. One standard. | Nothing goes on the shelf unless it is ready for hire. | Right first time. Every item. Every time. Daily stocktakes keep eyes on the fleet: nothing in the store goes over 30 days without being scanned, and anything damaged is tagged Out of Service on the spot. We are here to help — if gear is finished with, hand it back to the tool store and it comes off your list the same day.

HONEST LIMITS

- On-hire lines are the SiteIQ RENTAL_STOCK register (items On Hire with a 2026 on-hire date; radios, gas monitors and Drager equipment reported separately). Transactions are the SiteIQ CUSTOMER_CONTRACTOR_EQUIP export for the year to date, matched to this company after standardising the employer name.
- 'Hirer names using store' counts distinct hirer names on this year's transactions, leaving out shutdown / custody / workflow accounts. Names are as recorded in SiteIQ and are not verified as individuals.
- Data as at: SiteIQ RENTAL_STOCK pull 02 Sep 2026 18:30; SiteIQ TRANSACTIONS pull 02 Sep 2026 18:30 (report period 01/01/2026 06:00:00 - 02/09/2026 05:59:59); SiteIQ STOCKTAKE pull 02 Sep 2026 18:29. Every figure is computed from these exports by this kit - the Excel workbook is not read for any printed number.
- Replacement value is the catalogue new-buy average (Avg Buy Price (New) in Ampol_ToolStore_Pricing.xlsx); where a description is listed more than once the first price is used. Unpriced items show a dash and are excluded from value totals - never estimated.
