✓ The right gear to the right crew

✓ Looked after, maintained & ready

✓ Checked and right - every time

Honest limits: One page by design. Figures from SiteIQ exports and the K2 workbook as at the data-as-at stamp; a client day runs 6:00am to 6:00am. Detail lives in the companion reports.

All returns go through the Coates tool store, handed to the stores team and double-scanned. Nothing is returned unless it is scanned.
