ALL CLEAR — NOTHING ON HIRE

QWest Crane Hire is holding none of our gear.

Over 13 Jul to 03 Aug 2026 your crew took **2** items off the tool store and returned **0**. Nothing is outstanding, nothing to chase and nothing to come back for.

Those two figures count what crossed our counter between 13 Jul and 03 Aug; the nil balance is the register as it stands today. Anything handed back after 03 Aug and before the register was pulled is already off your list but is not in this period's returns, which is why they do not match.

Thank you. A clean sheet at the tool store is its own kind of record. It has been a pleasure having you on site.

The rest of this report is the record of your time on site — what was taken, by whom, and how it came back. It is attached in full so you have your own copy.

The tool store has your back

SCAN & LOOK - DOUBLE SCANNED, EVERY TIME

Every item is scanned **and** sighted going out, and scanned and sighted coming back - our scan-and-look process. If it moved, it is on the record. That is your protection as much as ours.

STOCK YOU CAN TRUST

The store runs stock rotation with full stock checks every **3 days** - what the register says is on the shelf is what is on the shelf.

SDS ON YOUR PHONE

Safety Data Sheets are available **inside the tool store**, and outside it - scan the QR code on the wall and the SDS downloads straight to your phone.

LOGBOOK GEAR

Anything marked LOGBOOK needs its daily pre-start and logbook entry before it operates - books and blank pages are at the counter.

BREAKDOWNS - TELL US EVERYTHING

Something stops? Report it straight away with the details: **where it is, what is wrong, what it was doing**. We will get it swapped or fixed - no drama, no waiting.

FLOGGERS & THE SMALL STUFF

Using floggers? **Flogger holders are available at the store**. How-to cards, radio channel cards and gas monitor guides live on the counter - just ask.

We are here to help - **reach out if you require anything**. Your Coates tool store team. **MY GEAR HQ** · POWERED BY SITEIQ

Honest limits: Activity from the SiteIQ transaction export for the period shown; on-hire position from the rental register. Consumables are usage data and are never counted as equipment on hire. No consumable pricing exists in any export, so units and product types are shown without a dollar value.

All returns go through the Coates tool store, handed to the stores team and double-scanned. Nothing is returned unless it is scanned.
